The screenshot shows a web application settings interface. On the left is a sidebar with a menu containing 'Settings', 'Preferences', 'Address Book', 'User Groups', 'Quick Noting', 'Notification', and 'Exit Department'. The 'Notification' section is selected. The main content area is titled 'Alert Settings' and contains several sections: 'Alert Settings' with radio buttons for 'Email', 'SMS', 'Both', and 'None'; 'List View Settings' with 'Mode' and 'Scope' dropdown menus; 'DSC Settings' with radio buttons for 'Authentication', 'Signing', and 'Both'; 'Editor Setting' with checkboxes for 'Noting Expanded View' and 'Draft Expanded View'; 'Correspondence View Settings' with a 'Correspondence View Type' dropdown; 'Notify For Blank Noting' with radio buttons for 'Yes' and 'No'; and 'Notification on Login' with radio buttons for 'Yes' and 'No'. At the bottom right, there are 'Save' and 'Clear' buttons, with a mouse cursor clicking on the 'Save' button.
